With regard to the petition from the foremen of street cleaners for an increase of pay, submitted to the last meeting of the Sanitary Board, Dr Clark has reported on his appointment and emoluments of the non-Chinese and non-European employees of the Board. He states the Colonial Veterinary Surgeon has already recommended the abolition of four out of five watchmen at the slaughter-houses, while from inquiries he has made Dr Clark is of opinion that the pay of the foremen and

street cleaners and of the non-Chinese. colonial staff compares favourably with that paid to similar men in other departments and outside the service.

Mr. C. Vivian Ladds, Colonial Veterinary Surgeon, has recommended that the services of four out of the five watchmen employed at the markets and slaughter house be dispensed with. He states this recommendation is not the result of any sudden impulse, but of years of constant observation. He was confident that many of these men had from time to time been the cause of much trouble and corruption in the markets and slaughter houses, and he could

not point out a single instance where they had proved to be of any service whatever. It was necessary under present arrangements to retain gas watchmen for duty all day long, and he recommended the best of the five men should be selected for this purpose. Should the services of these four men be dispensed with, a sum of \$90 a month would be left at the disposal of the Government, and he begged to suggest that \$50 of this be divided between the two European Inspectors upon his staff—the officer in charge of the Animal Depots and slaughter house to receive \$30 per month in addition to his salary, and the Inspector of Markets \$20 per month. This

would bring the salaries of these two officers up to \$1130 and \$110 per month respectively, amounting \$40 a month in favor of the Treasury. The matter was referred back to his Jeddah for a more detailed report.
